## **Top Driver Announces Strategic Contract with Largest Illinois High School District for Behind-the-Wheel Services**

*Lombard, Illinois* - Beginning in the 2018-2019 academic year, Top Driver will provide behind-the-wheel instruction for Township High School District 211 students. District 211 will be the first public school district in Illinois to contract behind-the-wheel training to a private driving school. This contract follows a new law that was passed in fall 2017 allowing schools the opportunity to contract with outside providers. Top Driver will provide behind-the-wheel instruction with Illinois State Board of Education Professional Educator Licensed and Driver Education Endorsed instructors.

Township High School District 211 chose Top Driver, from other commercial driving schools, after a comprehensive review of Top Driver staffing and certification, screening and background checks, fleet maintenance, insurance, curriculum, record keeping, grading methodology, and references.

"We are thrilled that District 211 recognizes Top Driver's experience, expertise, professionalism and commitment to excellence in driver education. Top Driver prides itself on providing high quality driver education. We are looking forward to a successful delivery of behind-the-wheel instruction with District 211," said Paul Zalatoris, CEO of Top Driver.

In addition to the District-wide behind-the-wheel services provided, Top Driver will offer after-school classes at William Fremd and Schaumburg High Schools for all community members. "Top Driver is pleased to expand our presence to northwestern Chicagoland and service the communities within District 211," furthered Paul Zalatoris, CEO of Top Driver.
